With the short of scared spirit, I along with the eminent personalities of this hamlet like area got registered a society namely “Jagriti Shiksha Samiti” blessing of Lord Shiva removed our apprehensions regarding the implementation of our project. Saying that Baba was a role model for us is not enough. Instead of that I would say that manifested our strength to spread awareness in the society. I got by the grace of Baba, decision making power and made my mind to provide quality education to the habitants/natives of this county side. I along with my devoted companions kicked off this ball of education in the area in 1992. I express my gratitude to the person who has shown their keen interest in this very school.
